Dear Mr. Nygard and Mr. Pierre:

This letter formally submits, as an enclosure, three copies of the subject primary document to each of your agencies' WAG 6/10 Project Managers for review and comment.

The original draft of the Scope of Work (SOW) was submitted by reference (1). In a December 10, 2002, letter the EPA initiated the informal dispute process concerning the SOW. The enclosed revised draft document has been modified in accordance with reference letter (2).

If you have any questions concerning this submittal, please call either Glenn Nelson at (208) 526-0077 or me at (208) 526-4392.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen S. Hain".
